Successful learning in a happy environment

Dear Parents/Carers,

From January 2025 we would like to formalise how your child's Nursery sessions are booked. This will maximise the learning opportunities for the nursery children and ensure that we have the correct staffing arrangements are in place.

In order to secure the sessions that you require please can you complete the booking form below. If you have regular slots once this form has been completed there is no need for further action, however, if you need to change these sessions the school will require at least a weeks' notice.

This system will help to ensure that our school continues to deliver the best support and experiences for all of the children in our care.

Many thanks for your help in this matter.
